

R&D TAX CREDITS.

Why partner with Jumpstart?

Jumpstart is the UK's leading R&D tax relief specialist. We have a proven track record in using a technology-based approach to leverage greater value and accuracy into our clients' claims than those using a traditional accounting-based approach.

We employ a team of technologists and scientists trained to the highest levels within their individual disciplines, experienced in industry-based R&D, and fully conversant with the complex HMRC legislation governing the R&D tax relief scheme.

THIS UNIQUE BLEND OF TECHNOLOGICAL AND BUSINESS EXPERTISE HAS ALLOWED US TO REALISE £100 MILLION BENEFIT FOR OUR CLIENTS SINCE INCEPTION 10 YEARS AGO.

We have identified and documented over £500 million of eligible spend and right now, we're identifying £1.4 million in eligible activity every single week and submitting an average of 500 claims per year to HMRC.

WE BELIEVE OUR PARTNERS ARE AN ESSENTIAL PART OF OUR SUCCESS AND CONSEQUENTLY WE OFFER FULL SUPPORT TO ALL OF OUR PARTNERS, INCLUDING:

1

PRODUCT TRAINING

Ensuring your staff are able to discuss the basics of the scheme with clients or members. Our training is supported by learning materials to extend and reinforce the learning experience, including; case studies, web-hosted easy reference guide and on-going access to Jumpstart's staff.

2

CONTENT

We provide a full range of content in traditional and digital format to support partners' marketing activities such as: educational content raising awareness amongst audiences, in-depth articles for inclusion in publications and newsletters, sector specific or regionally focused case studies and testimonials, and social media content.

3 MARKETING AUTOMATION

Using a sophisticated marketing automation platform we can prepare and execute campaigns tailored to your audience's needs, monitor recipients' responses and plan effective follow-up.

4 EVENT FACILITATION

SEMINARS - raising awareness of the scheme or dealing with specific aspects such as the impact of grants on R&D eligibility.

ROUNDTABLES - involving a smaller number of invited guests in a guided discussion of key issues relating to the scheme.

SURGERIES - providing one-to-one consultations allowing companies to discuss specific aspects of their own claims/potential claims.

WEBINARS - covering all aspects of the scheme, tailored to the agreed needs of your client base, which can be recorded and hosted on Jumpstart's website as a resource for your community.

5 PORTFOLIO SCREENING

Identifying eligible companies within your client base and developing a target list from your own client database. The portfolio screening exercise gives your staff first hand experience of working with one of our technical analysts, and insight into what makes an attractive target.

6 REFERRAL TRACKING

Our team of support staff can give you updates on progress with your referrals, either in real time or on a monthly basis.

So what's in it for you?

- Partnering with Jumpstart gives you the opportunity to offer award winning value-added services to your clients and members, with the potential for real financial benefit should they qualify for R&D tax relief.
- Enhancing your own organisation's reputation through an extended offering of value-added services at no additional cost to you.
- The potential for additional revenue through our generous referral commissions.

There is no substitute for experience and expertise. Experience gained through years of daily involvement in putting together thousands of successful R&D tax claims. Expertise built through a detailed programme of training and study, maintained and regularly enhanced.
